

Physical Therapy Innovations, Inc. is well established community based physical therapy practice with multiple locations and a 29 year track record of providing outstanding patient care, and for recruiting and developing outstanding physical therapists. Our PTs deliver evidence-based and holistic treatment in one-on-one visits, charting patient records in the cloud-based Clinicient EMR. Our clinical staff each average 11 patient visits a day, allowing quality interactions to occur.

We have opportunities for a physical therapist to join our East Bay-based team on a 40/hour a week basis, immediately. Our main clinic is located in El Cerrito, with another satellite clinic in Downtown Oakland. The Aquatic Physical Therapy program is located in a local indoor warm pool in Albany, CA. Our Aquatic Physical Therapy Center offers a diverse orthopedic and some neurological patient mix.

This position calls for a compassionate and energetic practitioner who can provide a superior patient experience. We have a diverse group of talented clinicians as well as a solid management team of both new and experienced staff. Sharing knowledge and a team approach to patient care is part of our clinic culture. Suitable candidates will be licensed to practice physical therapy in California and will have advanced manual skills, aquatics background or willingness to be trained in this specialty. New graduates will be considered and are encouraged to apply if they are willing to commit to a year of uninterrupted employment. We are very willing to train a Physical Therapist who is ready for new challenges! An ideal applicant would have at least 1-3 years of current outpatient orthopedic experience. Spanish speaking a plus!
